

Global Energy Transition Congress and Exhibition

Organised by **dmg::events**

1-3 July 2024 | Milan, Italy

As a proud partner of GET Congress & Exhibition, we are pleased to extend a special invitation to you.

Join us at this ground-breaking event and take advantage of an **exclusive 10% discount on registration fees.**

WHY ATTEND GET CONGRESS & EXHIBITION?

In a world where the challenges, risks, and consequences of climate change are ever-present, addressing them is not just an option but an urgent necessity. Achieving net-zero emissions and ensuring energy security have become critical global imperatives.

GET Congress & Exhibition is where the future of energy transition, security, and net-zero commitments converge. This event unites governments, financiers, market entrants, and industry leaders, placing hard-to-abate industries at the forefront. It's a unique opportunity to collaborate and forge transformative partnerships that bring about measurable change.

EXPLORE EXHIBITION OPPORTUNITIES:

In addition to attending thought-provoking conferences and seminars, GET Congress & Exhibition offers the unique chance to participate as an exhibitor. Showcase your innovations, technologies, and solutions to a global audience of policymakers, industry leaders, and innovators.

KEY HIGHLIGHTS:

Project X-change:
Explore world-leading decarbonisation projects.

Roundtable Discussions:
Engage in closed-door discussions on pressing industry topics.

Spotlight Programme:
A platform for visionaries and innovators to share their blueprints for accelerating the global energy transition.

Strategic Programme:
Where executive leaders from energy, finance, hard-to-abate and adjacent sectors will convene to collaborate on achievable net zero solutions.

Networking:
Expand your network across various forums.

EVENT DETAILS:

DATE:
1 – 3 July 2024

LOCATION:
Fiera Milano Congressi
