

MEMBER DIRECTORY

Our Member Directory is an exclusive tool providing the opportunity to promote your company's strengths and capabilities to NIA members. Its search engine feature allows users to filter by goods and services offered.

Complete the information below and overleaf for your company directory entry. Return forms to membership@niauk.org.

Company Name:

Address:

Contact Name:

Job Role:

Contact Phone:

Contact Email:

Company Website:

Company X Handle:

Company LinkedIn Page:

Company Accreditations:

Summary Introduction Sentence: (e.g. The trade association for the UK civil nuclear industry)

Directory Text: (Paste your text here or submit in a Word doc along with this form)

Please tick to confirm you agree to the collection, use and processing of personal information you provide to NIA for the purposes of entering a company contact in the NIA Member Directory. You also agree that your information may be accessed and used by NIA staff and members, that membership is company-wide and not individual, and that although housed on a password protected part of the website, NIA cannot control how and where its members are accessing the site, and that you understand this information may be seen by a non-member.

You agree to notify membership@niauk.org of any change to your personal information and make requests to check, delete or correct personal information, so that it is accurate and current. You understand that the data requested in this form is necessary for administrative purposes and that it will be held on the NIA's content management system on a secure server.
