

Sponsorship Opportunities

The number of packages available are final. Members interested in sponsoring must contact millie.beaver@niauk.org as soon as possible stating which package they would like to reserve. Packages are only secured once confirmed via email by Millie and are on a first-come first-served basis.

Fringe slots will be offered to Platinum Sponsors first, then Gold, then Silver.

Only fringes organised by official sponsors of Nuclear Week in Parliament will be included in the official programme, promoted to Parliamentarians and included in NIA social media promotion.
